A Coincidence.

Rev. W. S. Gamboe, of Lexington, was here Monday on his way home

from Madison county where he has charge of Union. A curious coincidence for a country church occured Saturday. Two funeral processions arrived at the church almost simultaneously and the juneral of two persons were preached at the same time, both the parties having died the day previous. One was Mrs. Paulina Harris, aged seventy-one years, who died of dropsy, and the other was Cyrus Shifflett, aged thirty-eight, who died of consumption. The bodies were ouried within a few hundred yards of each other .- Winchester Democrat.

The fact is, and we have been shown the letter, that Mr. Hanger consented to go only after the urgent solicitation of the managers of the expedition. The high compliment to our fellow citizen should not be diminished by making it appear that he was sent on this imortant errand, when it is true that he was warmly solicited to go.
